Mayfield School

Surrounding and encompassing us like the sea, Mayfield is a vital reality. Here we experience the emotions of an ever changing sea. There are our great moments, these are the towering crests of the foam, exhilarating and exciting. As no sea is without rocks and shoals, so our days had theirs. But there are always special moments rich in their tradition, which we treasure, as the sea her pearls.

We are a part of the sea, caught up in its movement, yet always finding new mystery in its depth. It mingles its fresh spirit with our spirits, teaching, unfolding, and inspiring. It is a wondrous environment, ever encompassing, yet never possessive. It is our sea, and thus, the theme of our annual.

We are drawn by the call of the sea;

Her rolling waves are the cradle of mankind;

Her murmuring, man's first lullaby;

Her salt flows in our veins;

Her rhythm pulses in us;

We return to her shores again,

Children answering a mother's call:

Listen!

#### Dedication

Strongly, steadily, like a guiding beacon light you welcomed us to Mayfield, as mariners are welcomed to an unknown port. You sought the good in each of us, and placed an unwavering faith in what you found. We have all felt your warmth and optimism as you brightened our spirits with a smile or a bit of spontaneous humor. At times we can only marvel at your understanding and seemingly endless patience; yet, through the greatest storms, you continue to trust, to pardon, and to guide. You have been a loyal friend and patient, understanding teacher, and in appreciation, Mother Elizabeth Mary, we dedicate this yearbook to you.

Look out to the horizon. The ocean stretches vast and smooth. No path can ever be traced on the glossy billows, no voyager ever mark these shifting seas. The sailor turns for guidance to the faithful stars.

The faculty are our stars — a constellation fixed and true, guiding Mayfield's mariners safely toward the shores of knowledge.

REVEREND MOTHER JANE FRANCES

Mayfield welcomes into its family circle Reverend Mother Jane Frances and finds in her a warm heart, a gentle sense of humor, and sincere kindliness. Always interested and anxious to help, she gives of herself generously. We hope that her years at Mayfield may be filled with happiness.

Activities

The stars are turned down low, but the moon's floodlight is full. The waves have a silken rustle and music swells in the murmuring surf.

Our activities share the enchantment. Resting from the stresses of the day, we meet to appreciate a lecture, to join in a discussion, to plan an activity or to enjoy the moonlight magic of a dance.

The Debating Club promotes interest in all phases of speech—debating, oratory, and dramatics. At the first tournament of the Catholic Forensics League this year our debaters won two out of three gold medals awarded in individual events. This is a highly challenging club for those who are willing to work hard for a worthwhile goal.

Sister Mary Patrick, O. P.

This year Mayfield was evaluated by WASC, the Western accrediting agency for secondary schools and colleges. The WASC evaluating team consisted of: Sister Mary Patrick, O.P., Principal of St. Michael's High School, Los Angeles, Chairman, Visiting Committee; Father Donald Montrose, Archdiocesan Superintendent of Schools; Sister Sheila Marie, I.H.M., Principal of Paraclete High School, Lancaster; Mrs. Blossom George, Assistant Superintendent of the Colton School District; Doctor Hosmer Stone, Professor of Chemistry, Emeritus, UCLA. These educators spent three days visiting Mayfield and won the admiration and gratitude of the students and staff.

Left to Right: Sister Sheila Marie, I.H.M., Mother Elizabeth Mary, Broth W. Thomas, F.S.C., Sister Mary Patrick, O.P.

Even though you have been a vital part of the preparation for this evaluation of Mayfield High School, I wonder if you have a clear understanding of the philosophy of this program. Very briefly I would like to say that we as a Committee appointed by the Western Association of Schools and Colleges have visited your school these past few days to renew an accreditation which Mayfield has always had.

It is one thing to begin an education program, but it is another to continue to maintain the high standards set in the beginning. Hence accreditation must be renewed from time to time to insure the maintenance of these high standards. Certainly at Mayfield High School the standards have been maintained in their pristine vigor.

The members of the Visiting Committee are deeply grateful for the beautiful hospitality which has been extended these days by the faculty and student body of Mayfield School. You have made us feel that we too are a part of this family of yours. We commend highly, Mother Elizabeth Mary, your principal, and each member of your dedicated staff for the high degree of professional competence which is evident at Mayfield. We trust that you girls are sufficiently aware of the unique privilege which is yours to receive daily the rich contribution of such a faculty.

The Committee further commends sincerely you, the student body. In our short visit with you we feel we have caught the spirit which is yours. We especially commend you for your academic seriousness, your generous response to the co-curricular program of your school and the family spirit which is evident in the respect you show to one another.

With the Holy Child may you advance in age and wisdom and grace before God and man — catching the spirit of Mother Cornelia Connelly and her Sisters here at Mayfield — a spirit of simplicity and joy, charity and obedience — the spirit of the Holy Child Jesus — thus perfecting your own hearts and overflowing into the hearts of all with whom you come in contact during your life.

To Reverend Mother Jane Frances, to Mother Elizabeth Mary, to all the members of this wonderful faculty and to each one of you spirited Mayfield girls, we thank you again and wish you all the blessings of the Holy Child as you bring to a successful and happy conclusion the school year in which you are now engaged.

Address to the Student Body:

Sister Mary Patrick
Chairman, Visiting Committee

# In Gratitude

In the creation of **Crossroads** there have been many more hands at work than those of the Yearbook Staff. Along the way we have sought and found inspiration, kindness, and professional advice from many. We wish to express our deepest gratitude to:

- Mr. Cordero, S.J. for the idea of the end sheets and for his detailed advice on taking this picture;
- Marianna Johansen and Pat Rollins for organizing the parts that made the end page picture possible;
- Brother R. Anthony, F.S.C. whose enthusiastic interest encouraged us and whose professional advice was invaluable.
- Terry Lynch for navigating his Pacific class sailboat, "Cirrus," for the picture of the Senior division page;
- The Hendricks for allowing us to use their Hendrick's Family Stable for the Sports division page and for helping us take the picture on one of their busy days;
- Peter, James, and Jay Carter for loaning us their American saddlebred, five gaiter, Chris, for the picture;
- Steve Spear and Dave Walshe from St. Francis for making the trip to Laguna and for being so helpful and patient as the Activity division page was shot;
- Dave Bruneau from St. Francis for his generosity and kindness in helping us with the Ad drive by making all of our posters.
- Mrs. Richard Hahn for helping us meet a deadline one frantic day and for procurring the pictures on the title page and pages four and five;
- Pat Kilcoyne of Bell Telephone Company who with gracious kindness went to a great deal of effort to obtain a picture that we wished;
- Miss Julie Radigan of the Pasadena Public Library who was an enormous help and a kind advisor to our assistant editor;
- Mr. Christy of Christy and Shepherd Photographers, Hollywood, for his courtesy and helpfulness;
- Mr. James R. Powell from American Yearbook Company whose helpfulness in designing the cover and his sincere interest made working with him a real pleasure;
- Mr. Bill Hubbell of Taylor Publishing Company who has worked with Mayfield for the past 24 years;
- Mr. Wilber H. Loe of the Taylor Publishing Company for his advice on our division pages and for his patient understanding.

# Our Special Friends

This year, for the first time, CROSSROADS has embarked upon the exciting venture of color pages. This would not have been possible but for our friends who donated generously. We would like to extend very sincere gratitude to our special friends, for their help in making CROSSROADS a success.
